## A BILL FOR

An Act to amend section one hundred twenty-four point  
thirty (124.30), Code 1950, relating to mandatory  
revocation of a class "B" beer permit.

*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section one hundred twenty-four point
- 2 thirty (124.30), Code 1950, is hereby amended by striking
- 3 from line fourteen (14) and fifteen (15) thereof the words
- 4 "the authorities issuing same" and substituting in lieu
- 5 thereof the words "the judge of the court wherein said
- 6 conviction is obtained,".

### EXPLANATION OF H. F. 467

Under the existing provisions of this section, the authorities issuing a class "B" license have no discretion with regard to revoking a class "B" permit upon conviction of any of the offenses specified in the section but if they arbitrarily refuse to revoke the permit, an action in mandamus is required to bring about the revocation. The purpose of this bill is to eliminate this unnecessary second step and vest the responsibility for revoking in the judge of the court in which the conviction is obtained.
